

Cape Cod Wildflowers: A Vanishing Heritage

Filesize: 9.6 MB

Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.

(Rodger Hane)

CAPE COD WILDFLOWERS: A VANISHING HERITAGE

University Press of New England. Paperback. Book Condition: new. BRAND NEW, Cape Cod Wildflowers: A Vanishing Heritage, Mario DiGregorio, Jeff Wallner, Cape Cod Wildflowers, the only comprehensive, Cape-specific wildflower book, is back in print, with a new introduction by the authors. In the little more than a decade since the book's original publication in 1989, development has increasingly encroached on the rich indigenous flora of the Cape, eliminating purple milkweed and yellow thistle there, and lending this guidebook ever greater relevance and poignancy. Cape Cod Wildflowers features stunning color illustrations of each Cape wildflower, grouped by habitat and complemented by appealing and informative narrative entries. Those who have never experienced the untrammelled Cape Cod celebrated by Thoreau and Beston, and those who have witnessed the more recent and rapid degradation of the Cape's moors, sandplain grasslands, and barrens, will delight in this celebration of Cape Cod wildflowers. The authors address knowledgeable and novice readers appreciative of and interested in native plants. As they wrote in their introduction to the first edition, Cape Cod Wildflowers "is an appreciation, a guide, and a plea for protection." This book is a must for Cape residents, tourists, naturalists, botanists, and wildflower enthusiasts everywhere.
