EXPLORATION OF SOLID COMPOUNDS BY SPECTROSCOPIC METHODS

LAP Lambert Academic Publishing Sep 2015, 2015. Taschenbuch. Book Condition: Neu. 220x150x5 mm. Neuware - Most of the naturally occurring solid compounds such as minerals, plants, herbs etc., are inorganic in nature. They exhibit different colours due to the presence of transition metal ions. Even though we know the composition of some minerals we can't understand the properties exhibited by them which are useful in many applications such as medicine, chemical industries, agriculture etc. For the characterisation of a mineral its structure is very...

Reviews

This is the very best ebook i have got study until now. This is for those who state there had not been a worth reading. You can expect to like the way the writer write this book.

-- **Jeffrey Ritchie**

Absolutely among the best publication I have at any time go through. It is definitely basic but shocks from the 50 % of the book. I discovered this book from my i and dad advised this publication to find out.
