As an Amazon reviewer said, This book is better than therapy! There is not one page of this book that doesn't have meaning to everyone's personal life experiences. I'm a fan of logic, and this book starts out with an idea, then through simple logic and examples explains how that idea is true. However, some can be unpopular, but that doesn't stop Ernie. Such as 51: It doesn't cost much to be kind, but it can be very costly being too kind. What You Will Discover - or Rediscover - by Reading This Book Too much safety is dangerous for your well-being. Predict your failures and you will become a highly successful prophet. Don't buy expensive socks if you can never find them....
