McCabe and I m going to take you on a journey on how you can control over \$10 Million in real estate even if you have No Cash, No Credit, No JV Partners and suffer from anxiety at just the thought of cold calling a home owner. Now I realize that is a big and bold claim, and I want you to be skeptical. Having said that, I can promise that when you spend some time with this book and the companion videos, you ll see just how easy it can be to build a successful real estate investing business where you control and make money on other people s homes. Since 2009 I ve been building, tweaking and perfecting a system for my own personal Real Estate Investing business that generates my business an abundance of leads and opportunities of homeowners wanting my company to take over their home. This allows me to make a great deal of money in the process. In this book, I m...
