ITS), and, as such, he is clearly worthy of a biography. Not only was his service a noted one to elementary education, but as college president and as the organizer of the United States Bureau of Education his activity also touched other parts of our educational development If he left untouched any field of instruction in these various activities of his career, he certainly claimed the whole universe of education as his province through his editorship of the American Journal of Education. Like Nestor, he lived through two generations of men and (hen sat amid the third, which gladly did him honor. His great saying is worthy of remembrance that the country should have schools good enough for the best and cheap enough for the poorest. A man s life ought to be written only when he is a representative man, integrated with the life of the times, an enunciator of great thoughts, or one who has done wonderful acts, said President Francis L. Patton in a recent sermon. Judged by these canons, Barnards life should be written, for he comes within at least three of them. No one stood forth as a truer representative of the inquiring, eager, earnest spirit of the American nineteenth century, seeking to know what was true and to know how to attain success in encountering the problems of life. The especial thanks of the author are due to Dr. Barnard s daughters, who have given him access to their father...
