Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.LIFEFORM is the final installment in the H.I. Tech series and picks up where DOC S RULES left off. It takes the readers into a face to face confrontation with the unknown alien force inside Object Alpha Bell Tower. Dr. Waterstone thinks she s found the horrible truth behind the destructive presence that Victor Rykoff has forced her to free. How can it be a mere virus? Microbes don t think, and a mere virus could not have manipulated the electronic defenses at the scientific site or probed its computers or invaded H.I. s and Dr. Waterstone s nightmares. Dr. Kay believes that something even more threatening is emerging. Bell Tower s alien crew is not dead or missing. The supposed virus is the alien crew. Or is it? Maybe it has a purpose, because in its grasp is the genetic code for all life forms in the universe. Including all life on Earth! But to the hideous fiend, Victor Rykoff, the alien lifeform is the basis for the ultimate terror weapon. And with the help of Russian renegade pilot, Vasili Putin, Rykoff is prepared to unleash the alien s terrible power upon the world. It seems there is no one who can stop him, because too much of the outcome rides on CIA agent, Alex Malone. She has a history no one could have known. Maybe Dr. Tech isn t coming to the rescue either. He and Dr. Waterstone have their own surprising history. So the survival of the world may...
