Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Money Matters: In My Kingdom has been compiled from years of preaching notes and Bible studies that I have written. As a result, occasionally the reader will find some repetition of material. I felt it would conflict with the integrity of the individual chapters if I were to remove the repetitious material from the text. Therefore, I have retained it in the hope that the repetition will serve to emphasize the key points in the teaching. This book is not a get-rich-quick book. Rather, it aims to set out the principles through which God prospers His people. Please remember, if you want to get rich quick, you may find that you will ultimately shipwreck your faith! In order to further the Kingdom of God, His children must prosper. In this way money will be made available for multitudes of ministries, whether it is a television or radio ministry, an over-seas evangelism crusade, a hospital, a Christian school, a Bible college, or any other type of outreach. Money will be available to advance the Kingdom of God when His children prosper financially by seeking first His Kingdom in their lives. The majority of us spend many hours a week in an effort to earn money, so let us be wise by taking heed to the true wisdom of how to prosper, through believing the Scriptures that God has set forth in His Word.
