Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book *Spiritual Intelligence and The Neuroplastic Brain* (2015) deals with the central idea of brain and culture symbiosis. Our brains are getting wired differently in the world of digital technology, information revolution and the world of globalization. Think of the new vocabulary: Global brain, collective intelligence, global village, and cyberspace. That should tell us something about the neural rewiring that is taking place inside of our brains, whether or not we are aware of it. The fact that the human brain changes throughout a person's life in response to intellectual stimulation, physical exercises, exposure to new cultural environments as well as learning opportunities and challenges is a revolutionary discovery. Till twenty years ago, neuroscientists believed in the conventional theory that the brain's ability at making new connections stopped before a child entered the adolescence. That is the old dogma. There is a Second Copernican Revolution taking place inside of our brains, writes the author, quoting Carl Zimmer. Some experts are suggesting that we are already living in what Richard Restack calls the neurosociety. Ray Kurzweil,...
