*A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Austin Macauley Publishers, United Kingdom, 2017. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. This unique collection of poems has been composed over five years by Spirit friends from the transfiguration-mediumship of Brenda Surman. These Spirit friends are able to converse with us and answer questions about their own lives. These Spirit friends give words with love and understanding and their intention is for this to be shared with as many people as possible. Their words cover a wide range of topics: money and how this may not bring happiness and ways we can make use of it; life s journey and its benefit even during the bad times; how we choose to spend our time and see the past, present and future and our friends who come and go throughout our lives.
