INTELLECTUAL DEVELOPMENT

Mittal Publications, New Delhi, 1988. N.A. Book Condition: New. X+203pp This book deals with some of the important questions concerning intelligence. Starting with a discussion of the meaning and conception of intelligence, it proceeds to examine the various theories regarding intelligence and intellectual development. The views regarding the constancy and stability of IQ along with the role of education in intellectual development receive detailed treatment. It concludes with an analysis of the history and methods of measurement of intelligence with...

Reviews

I just began looking over this ebook. It really is written in straightforward words and phrases instead of hard to understand. You won't truly feel monotony at whenever you want of the time (that's what catalogues are for relating to should you request me).

-- **Harrison Mayert**

Here is the very best publication we have studied right up until now. It is amongst the most incredible publication we have read through. I am very easily could get a satisfaction of reading through a created publication.

-- **Tillman Hills**

Very helpful for all class of people. This is certainly for anyone who states there was not a really worth reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.
