Belindas Quick Guide To Bridge is the perfect companion for beginning and intermediate bridge players. It gives the reader straightforward, easy-to-understand explanations of popular bridge conventions, plus helpful tips and practical information during play of the hand. Heres a quick look at whats inside: Bridge Conventions: Provides quick and succinct descriptions of more than 50 popular bridge conventions, when to use a particular convention, and what each bid means when describing your hand to your partner. Leads and Defense: Describes some basic practices when defending a contract, including some of the methods the author likes to use when competing at the bridge table. Bridge Etiquette: Lists the Dos and Donts at the bridge table. No exercises, quizzes, or worksheets are included in this book. It simply gives you concise, practical information to help you improve your game.
