During Jesus short life, He often spoke in parables and performed miracles, the meaning of which many throughout history have not understood. To some, the Gospels may be interesting stories at best and myths at worst, and many derive no benefit from them for they only see outwardly-in the natural world-and have no spiritual discernment. Within this book, you will learn a great deal of the mysteries and of the hidden meanings in the miracles of Jesus, and of the truths taught to us by each miracle. COMMENTS FROM MARY EMRY S READERS: What a beautiful picture you paint of Christ. Now I see things in Scripture that I never saw before. I really thought I was well acquainted with Christ, but after reading your book, I can say loud and clear like Mary must have to the disciples, I have seen the Lord! I realize now that I had never taken the time to understand specific definitions of major words in the Bible. If you had asked me before I read your book to define grace, faith, peace, obedience and a host of other key words, I would have stumbled around with vague meanings. Not anymore! It is all wonderfully clear to me now-thank you! Each chapter in this book is a cogent explanation of a miracle performed by Jesus. Each nuance in the story is explored. The people, the settings, the elements in the story all convey amazing meanings and truths that perhaps you have never seen before.
