Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

Featherproof Books. Paperback. Book Condition: new. BRAND NEW, Scorch Atlas, Blake Butler, In this striking novel-in-stories, a series of strange apocalypses have hit America. Entire neighborhoods drown in mud, glass rains from the sky, birds speak gibberish, and parents of young children disappear. Millions starve while others grow coats of mold. But a few are able to survive and find a light in the aftermath, illuminating what we've become. In "The Disappeared," a father is arrested for missing free throws, leaving his son to search alone for his lost mother. A boy swells to fill his parents' ransacked attic in "The Ruined Child." Rendered in a variety of narrative forms, from a psychedelic fable to a skewed insurance claim questionnaire, Blake Butler's full-length fiction debut paints a gorgeously grotesque version of America, bringing to mind both Kelly Link and William H. Gass, yet imbued with Butler's own vision of the apocalyptic and bizarre.
