BRAND NEW, From Civil Rights to Human Rights and Self-Determination?: Proceedings of the IHRAAM (the International Human Rights Association of American Minorities) Chicago Conference 2012, While African Americans have achieved civil rights, it has not ended their collective oppression in America. This book is a premier guide to the next stage in the struggle, and key to understanding the special rights African Americans enjoy under international law. IHRAAM is the premier international UN recognized NGO doing substantive work in the United States as it relates to international law and African Americans' international legal right to self-determination. This IHRAAM-sponsored Conference sought to catalyze a turning point in the African American struggle. The Civil Rights movement that Martin Luther King assumed, five decades ago, would be "not long" in bringing "freedom" is now history. Affirmative action has shot its bolt. While its achievements are evident-Black faces appear in mainstream US politics, academia, corporations and the media - the African American people at large face ongoing discrimination, mass incarceration and unemployment, prohibitive voting laws, growing destitution and legalized vigilante terrorism. The IHRAAM Conference provided a major mechanism to engage leading African American political
