Excerpt: . hooks from his mouth: no further attempt to catch a second. I seized the fish and my rod, and hurried home to exhibit my trophy. Since that day I have had the pleasure and privilege of fishing upon some of the finest lengths of trout and grayling water in the country, and captured thousands of both fish, but I question very much if the remembrance of any of those happy days will remain a green spot in my memory so long as the capture of that 8-oz. trout. But I think I can hear the reader say-- what has all this rigmarole to do with the preface? Simply this, my friend: I am leading up to the inevitable apology that the author of a new work on any subject that has been pretty well exhausted by previous writers feels bound to make. Mine...
