Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Prose Works of Jonathan Swift, Vol. 9 Swift has been styled the Prince of Journalists. Like most titles whose aim is to express in modern words the character and achievements of a man of a past age, this phrase is not of the happiest. Applied to so extraordinary a man as Jonathan Swift, it is both misleading and inadequate. At best it embodies but a half-truth. It belongs to that class of phrases which, in emphasizing a particular side of the character, sacrifices truth to a superficial cleverness, and so does injustice to the character as a whole. The vogue such phrases obtain is thus the measure of the misunderstanding that is current; so that it often becomes necessary to receive them with caution and to test them with care. A prince in his art Swift certainly was, but his art was not the art of the journalist Swift was a master of literary expression, and of all forms of that expression which aim at embodying in language the common life and common facts of men and their common nature. He had his limitations, of course; but just here lies the power of his special genius. He never attempted to express what he did not fully comprehend. If he saw things narrowly, he saw them definitely, and there was no mistaking the ideas he wished to convey. He understands himself, said Dr. Johnson, and his reader always understands him. Within his limitations Swift swayed a sovereign power. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work....
