I m a thousand times bigger on the inside than on the outside! Fear looks; faith jumps! These statements were heard by thousands of people who sat under one of the most unusual ministries of this century: the ministry of Smith Wigglesworth. His ministry has survived successfully for more than sixty five years since his death in 1947. It is of importance to state that a ministry to be producing eternal results this far after its natural conclusion means that one lived a life of obedience and spoke words of life more than opinion and views. Many people describe him with the same adjectives, such as authoritative, bold, compassionate. very challenging, calling him a man of eternal value who lived a life full of faith. The cry of the Spirit that came through Smith Wigglesworth can still be heard today through these sermons. These sermons will lift you to new horizons in your personal relationship with Jesus Christ.
