This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composed this pdf.

America Star Books, United States, 2013. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.I was born in 1977, and had led a normal childhood up until May of 1982. My being involved in a bicycle accident that had left me paralyzed on the right side of my body. I too had attained a Traumatic Brain Injury in which I had lost 1/3 of my brain. I had lost the ability to walk and talk, and in truth all other things. It took years of physical therapy, speech therapy and still to this day I go to physical therapy to do strength training. From 1982 to present day I have always walked with a limp, but truthfully haven't allowed my disability to stop me from living my life. While I attended college at Davis and Elkins, in Elkins, West Virginia I swam quite a bit, and played basketball for the school for 2 years. After college I returned home, and held several jobs around my home town of Herndon Virginia. I am currently employed as a Special Education Assistant very close to where I live with my wife Maureen, and my son Christopher. Determination, patience, and the willingness needed to at least try something new have always streamed through my veins. I hope to encourage other likeminded people to do the same, and often time have shown them what has best worked for me. I think it is everyone's responsibility to share their gifts, poetry is one of mine that I have done for 26 years.
